

Serene Ultrasonic Aroma Diffuser ION138

The Ionmax Serene ION138 ultrasonic aroma diffuser reintroduces moisture into the air to help you maintain a comfortable humidity level in your home. It can help to efficiently relieve respiratory ailments such as colds, flus, or hay fever caused by dry air.

Enjoy the **ultimate aromatherapy experience** from this sleek little device using your favourite essential oils without any heating elements, which makes this aroma diffuser safe to use. Together with its LED time display, alarm clock, and timer functions, the Ionmax Serene is easy and convenient to use around your home.

Features

Alarm
The unit can be set to an alarm, where it will sound an alert for 60 seconds before switching the aroma diffuser and LED lights on.

LED Time Display

Timer
Set the timer to 30, 60, 120, or 180 minutes.

Moisturises and refreshes the quality of air we breathe.

Produces negative ions like those found near beaches, waterfalls, or after a storm.

Advanced ultrasonic aromatherapy technology creates a soothing and therapeutic atmosphere. Just add 3-5 drops of your favourite essential oil to the water tank.

LED Lights

The soft colour-changing LED lighting creates a wonderful tranquil ambience to enjoy.

The lights can be changed between auto changing mode, red, green, blue, or switched off completely.
